NYC School Survey – Student (2025–26)

We want to know what you think about your school this year (from September 2025 until now).
Taking this survey is your choice. You can skip any question you do not want to answer. Your answers are private, which means no one will know what you said. You do not need to let anyone know how you answered these questions.
If you have any questions or worries about the survey, please ask your teacher or email surveys@schools.nyc.gov.
You can also learn more about the NYC School Survey at NYCSchoolSurvey.org.
